Our Offer

We cordially invite you to join a delegation trip to Brazil and/or Colombia.

The delegation trip offers a unique opportunity to immerse yourself in the realities of life in Brazil and Colombia and form new entrepreneurial partnerships.

Thanks to years of commitment by Hoffnungsträger/Sinngeber in the areas of peace and reconciliation work, prison work and reforestation, exclusive insights into social projects are possible: broadening horizons that shape lives.

The strong network of Unternehmer in Bewegung (Entrepreneurs in Action) enables direct exchange with local entrepreneurs and decision-makers.

Together we believe that economic development and peace promotion should be considered as a single entity in order to create lasting stability and prosperity.

In Brazil (28 – 31 January 2026), we will meet entrepreneurial families, visit companies and the unique APAC prisons, which are largely self-managed by inmates – with impressive success in terms of rehabilitation. The trip includes a day visit to the Iguazu water falls, a data center, and a visit with Jorginho to his social projects in favelas.
