## Our Offer

**We cordially invite you to join a delegation trip to Brazil and/or Colombia.**

The delegation trip offers a unique opportunity to immerse yourself in the realities of life in Brazil and Colombia and form new entrepreneurial partnerships.

Thanks to years of commitment by Hoffnungsträger/Sinnggeber in the areas of peace and reconciliation work, prison work and reforestation, exclusive insights into social projects are possible: broadening horizons that shape lives.

The strong network of Unternehmer in Bewegung (Entrepreneurs in Action) enables direct exchange with local entrepreneurs and decision-makers.

Together we believe that economic development and peace promotion should be considered as a single entity in order to create lasting stability and prosperity.

In Colombia (1–6 February 2026), we will meet entrepreneurial families and visit social projects. We will visit companies, small-credit programs for families of prisoners, prisons, reconciliation projects, innovative economic initiatives aimed at integrating victims and perpetrators and will participate in forums for peace and reconciliation and economic cooperation for peace.
